Brethren

This is my last message as the Worshipful Master for Boynton Lodge. I will try to make it brief.

Brethren, I have enjoyed very much being in the east. It is a wonderful experience that I would never regret not even for a minute. It has given me the opportunity to work very closely with young, dedicated, intelligent and enthusiastic brothers. It is hard for me to believe that a year has already passed. This year, many accomplishments have been made. Two scholarship awards were given out, one teacher award was presented, by the end of this year, sixteen brothers will be raised, many more have been initiated, many building projects have been accomplished, relationship with other lodges has been strengthened, harmony in the lodge has been stronger than ever and many other activities have taken place this year. All this is due to the dedication of the officers and many brothers to the Craft and the lodge. Without them, none of this would have been accomplished. I want to thank everyone and all the brethren that have supported the officers and me this year.

Next month, we have a very busy month. On December 5th, we will have the Grand Master of Masons of Florida's visit to our district 32 at the Scottish Rite, Valley of Lake Worth. Everyone is welcome to attend the dinner followed by a Tyled meeting.

Our first meeting, Thursday December 11th, will be an election night. It is very important as a member of our lodge to place your vote to elect the future officers for the ensuing year.

On Saturday, December 13th, we have a Master Mason Degree. This will be the last degree for this year. We will start at 11:00AM. I encourage everyone to join me in raising our brothers. Our last meeting for this year will be on December 18th. After which, many brothers will be busy with their families for the holidays.

Our Lodge installation of new officers will be on January 3rd, 2009.

Finally, I wish everyone Happy Holidays, and I hope the New Year will bring health, wisdom, prosperity, beauty and strength to all masons in the world.

Fraternally,  
Nabil Karroum, WM
